Agreements to Support Healthy Rivers and Landscapes

Tribal Governments and California Natural Resources Agency Meeting #2

This meeting is designed for Tribal Government Leaders, Tribal Environmental, Cultural Resources & Preservation staff to meet with State Leadership and staff from California Natural Resources Agency (CNRA), California Department of Fish and Wildlife (CDFW) and Department of Water Resources (DWR).

We will resume discussion from Meeting #1 held January 24, 2024 which committed to additional meetings and coordination.

Discussion Topics include:

- Key aspects of the Draft Strategic Plan and Draft Scientific Plan
- Roles and Responsibilities of CNRA, CDFW, and DWR
- Updates on the Agreements

RSVP by **March 4, 2024** here: [Registration Link](#)

Videoconference and call-in information will be provided to those who register.

For more information, visit CNRA's [website](#) or please contact:
