

The California Natural Resources Agency invites you to an in-person event....

HEADQUARTERS HOUSEWARMING

Friday, June 10, 2022 | 715 P Street, Downtown Sacramento

Open House: 10 AM - 12 PM | Secretaries Dialogue: 12:30 PM - 2:00 PM

Our California Natural Resources Agency and many of its departments have moved homes for the first time in six decades! We are excited to welcome you to our interactive and environmentally friendly new campus at the corner of 8th and P Streets.

Please join us for an inclusive open house to mark this moment. We will provide tours of the new building, visit with each other in person (it's been a long time!), and talk with past Agency Secretaries about how our natural resources management has evolved in recent decades. We'll also unpack a time capsule set in the old building in 1965 and place an updated time capsule in our new campus. Please join us!
